This being our 100<sup>th</sup> year anniversary as the largest patriotic women's organization in the world; Membership is a privilege. Let's all be proud to be a member and let it be seen in everything we do. Step up to make a difference is our theme this year. Step up and out into our community's, contacting members and reaching out to our Veterans and their families. It's what we do.

The Membership Team is here to help you continue to grow your units and our organizations. It is everyone's job to work on Membership. Everyone has a role to play in the recruiting, retaining, and engaging our members. The Membership Chairman is the coordinator of membership. She makes sure that the membership everyone collected is properly prepared and sent to Department for processing. Members enable us to carry out our mission to assist veterans, military and their families.

It is important the membership cards are not held. Please process membership at least twice a month or sooner and get them sent to Department. Important benefits are in jeopardy if a member's dues aren't paid by January 31st. That is the date that National considers a member no longer in good standing. We must make sure no member loses her benefits or are no longer in good standing.

National has a form on the National website for women who are interested in our organization to get in contact with a local unit. These Interest Forms are sent to me and then I send them off to the District Chairman to share with the unit chairman. Please take a few minutes to contact someone who is passed on to you from National. They will be tracking if we contact these women. These women have expressed interest in our organization. This may be an easy way to gain a new member. Please let the chairman who passed it to you know if you were successful in contacting and recruiting a member this way so we can let National know.

This Membership year we are focusing on having positive attitudes and being nice to one another. If we all have a positive attitude, we can retain the members that we have by communicating positively to them and recruit new members by showing them how fun and positive our organization is and they will want to join. The negativity must stop because it runs members off and we want to retain our members and get new ones. Be welcoming, kind and respectful to members of all ages. Ask for new ideas and be open to those ideas. Encourage personal contact with members of the unit. Demonstrate Service Not Self in all activities and interactions with others. Realize not all members will attend meetings, be respectful of their choice.

Share Member Tools such as:

- \* ALAMIS
- \* Set up a Profile on National Website: [www.ALAforveterans.org](http://www.ALAforveterans.org), so you can access "Member Only" section, take advantage of all tips and tools available.
- \* Inform members of benefits and discounts available
- \* Ask members to help with programs that they are passionate about, if they have passion for it, they will try their best at that program.
- \* Increase community involvement by using ALA programs that encourage responsible, active support for our military service members and their families.
- \* Encourage Junior Members to recruit their eligible friends and relatives.

Here is a list of ladies who will be assisting you with membership. Feel free to contact any of us with questions, issues or comments!

If you can't reach the chairman for your district, please call your Membership Committeewoman, me or another district chairman. We are all here to help your unit succeed with membership this year. No question is too silly to ask to have things done correctly. You can also call Department Headquarters if you need help. The ladies there are always willing to help!

One resource developed to help you is Membership 101. This is a guide with notes on it to help with preparing the membership paperwork. That is a lot of awards to reach for, you have several opportunities this year that can help you to get these awards. Invite people to your open to the public events, talk to people when you are wearing your Auxiliary branding, always promote the auxiliary when you can out in public to try to get new members, always smile and have a good attitude.

There are several units that have over 200 members and hardly any juniors. Remember those Juniors count to.

It may seem like a lot to do, but I know we can do it! Our goals this year are very reachable and I think every unit can do it. Just remember to have fun with membership and stay positive, promote the American Legion Auxiliary and share with people how you love serving our veterans with everyone.

Use the National Website: [www.alaforveterans.org](http://www.alaforveterans.org) as a resource for membership. You will find all the forms for the National Awards there. If you can't print them out let me know and I will try and get you some.

Department Website: [www.aladeptin.org](http://www.aladeptin.org)  
The membership team is here to help you anyway we can. Please, remember to not hold on to membership cards get them turned in by every 2 weeks or sooner. It is very important. If you are having issues, please ask for help. Let's all have a great, fun year. Thanks for all that you do for our veterans! Membership, Membership, Membership.

We are the Largest Patriotic Women's Organization in the World so share your patriotism and show the world what it is like to be an American.
